

Parent's Day Out

April 2018

Dear PDO Parents,

The children will be exploring God's World this month in many different ways. Enjoy the world God has made with your child by watching how the trees are changing or see how the birds are ALL flying together. Spring is here and we are looking forward to lots of outdoor days! Go for walks and look at the wonderful world God has made for us. Maybe take a trip to a farm store or a drive in the country to look at baby animals. Children love to explore with you. A child's world can be as large as the whole world or as small as their home and yard. Think about how big and small things are to your child and explore this world together: Get down on your knees, let your child take pictures with an old phone, sit in the back seat with your child, see what they see!

We are celebrating Christ the risen Lord this month in our Bible stories. We will hear about Jesus walking for the last time on Earth with his friends. We also will learn about telling others that Jesus loves them.

Enrollment for next year is still underway and we are starting to fill up. You need to hurry and reserve your spot for next year. We don't want to fill up without you! Please let your friends know about PDO. We take children as young as 6 months. When you sign-up, remember to include the registration fee (\$50) with your paperwork. Enrollment forms will be accepted without the registration fee but your spot will not be held.

God bless and keep you,
Your PDO Family

God's World
