First Baptist Church / 211 W. Comanche, Norman, Oklahoma 73069 / 405-321-1753 / Fax 405-321-2087 / www.fbcnorman.org

Dr. Wade Smith  
Pastor

**O**ne of the most influential seasons of my life was the opportunity to serve in Panama as a Journeyman Missionary after completing my degree at OU. Panama introduced me to an international culture and people beyond the influences of Oklahoma, Louisiana, and Texas where I had spent most of my life. The exposure to Christian people beyond my comfortable Baptist roots opened me to a new season of fellowship and theological reflection in which I grew to cherish my Baptist heritage and to appreciate and respect the larger Body of Christ. During the two years I lived in Panama I began to learn more about Cuba from Panamanians who had family or other interests there. I began to pray for the opportunity to go someday to preach and be a minister of the gospel there. Twenty-five years later, the Lord is answering that prayer. In February I will be traveling to Cuba with Reaching Souls International to teach and preach to Cuban pastors. I am told that there is a great work of the Spirit of God in that country and that these pastors are hungry to study and learn from God's Word. Our flights will take us through Panama on the way to Havana, connecting the dots of life and ministry for me. Please pray for us as we serve the Lord and encourage the Body in Cuba.

We continue in February with our worship emphasis **Practice, Practice, Practice**. The apathy and ineffectiveness of the church is so often connected to our understanding of the Christian life. Too many view Christianity as a passive life in which we have no responsibility before God. Our theology says that God saved us and one day we are going to heaven, so it doesn't matter what I do now. As the Apostle Paul said, *May it never be!* Yes, we are saved by grace through faith, not by works. But, the scriptures are also clear that we are to *work out our salvation and press on toward the upward call of God in Christ Jesus*. In other words we are called to practice our faith in very real and practical ways. Spiritual practices place us before God in ways that open our hearts and minds to Him. These interactions or encounters then become the catalyst for inward transformation which always leads to outward change. This may sound spiritually intimidating, but it is actually very logical. For example the Psalmist says to *be still and know God*. The implication is that if we are never still, our ability to know God is limited. Thus, we develop practices like prayer, meditation, and solitude because they place us quietly before God to hear from and know Him in deeper ways. Let us *Practice* these things before God.

**Souper Bowl Sunday** is the one time in worship we focus on the complicated, yet tragic reality of hunger in our world and our community. As Christians we must be aware of this issue and learn how we can respond in ways that effect immediate relief and long-term solutions. After worship we enjoy a fellowship lunch together in Hallock Hall. We invite you to bring a crock-pot full of your favorite soup to share. The lunch is free, but we ask you to give an offering that day to hunger relief efforts. The Smiths will give what we would spend on lunch at a favorite restaurant. How will you and your family share generously and compassionately on Souper Bowl Sunday?

On Souper Bowl Sunday we will also come together and **Worship as One**. While combined services are not uncommon for us, the purpose of coming together on Feb. 2 is to see what it would look like to bring the strengths and generations of both services together long term. Then, we will come together during the Easter season beginning March 9 to worship as one, continuing our conversation and seeking God's direction. Worshiping as one creates its challenges, but it also creates opportunities. I have visited with some who have expressed their concerns and fears about worshiping as one. I have also visited with others who are excited about the journey and praying that this will lead to a season of worship and spiritual renewal. As we move forward during these weeks I ask for your prayers and always welcome your conversation. May we have the faith to discern how the Spirit is moving and the courage to join Him on the journey.

Grace and Peace,  
Dr. Wade Smith

## Music Ministry

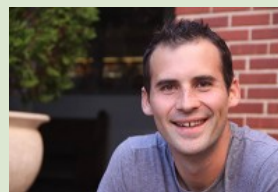

What a new year this is shaping out to be, right? Sometimes we head into a new year with fear and trembling not knowing what the future holds. As I think about the stories of scripture, I can't recall any occasion where God lays out a 10 year plan for his people. Well, planning does help you set goals and lay out a step-by-step path to reaching them. But, what if our goal was simply to be following the Spirit in the next 10 years? What if we prayed and sought daily his presence with us for the future? What if we committed ourselves to a community the way Christ commits himself to us? What if we were more ready to die for the people I call my church family than to put up walls between us?

I would love for us as a church to put preferences aside as we move into this new season. Instead of mine, think about ours. Instead of me, think about us. How big is our church? Is FBC Norman only a Sunday School class? Or only the youth? Senior adults? College students? LifeSong? Classic? Let's imagine a church that is all of these aspects and more!

Did you know FBC Norman is a thriving church of young families all the way up to senior adults? Our nursery is bursting at the seams. Our senior adults have laid an incredible foundation of faith and leadership that future generations will glean from, continue to grow, and develop. FBC Norman is blessed to have the wisdom of 125 years of life and ministry and the fresh, growing faith of children.

Coming together into one worship service will show us how God has worked in the past and how he is still working today as we move forward with modern and historical expressions. Coming together musically will show us how big, beautiful, new, and old our church is.

We worship as one. I look on with hope as God continues to transform my heart (and ours) into his likeness.

Sincerely,  
**Joey Armstrong**  
University and LifeSong  
Worship Minister

### "Sweet Thursdays"

Ladies, join us on February 20 from 7 to 8:30 p.m. at Common Ground for great fellowship and light snacks.

#### IRON MEN I.S.I. BREAKFAST TO RETURN FEB. 8!

Guys, if you enjoyed the early Saturday morning breakfast, fellowship and inspiration we began several years ago, please take note! The I.S.I. breakfast is returning to our church event calendar, every other month, starting Feb. 8 at 8:00 a.m. at the FLC, for the modest cost of \$5. Dale Wade, representing our IRON Men ministry, is the new I.S.I. breakfast coordinator and has enlisted a team of men to assist him with this event throughout the year.

Our guest speaker for this first I.S.I. breakfast is Major Gary Dill, who is currently an officer in the Fire Prevention Division of Edmond Fire Department. Major Dill has served with that department since 1998, personally assisted in the 1995 Murrah building search and recovery, and responded to the 9/11 tragedy in New York City with pastoral care to survivors and workers. Gary will share how his Christian faith has helped him deal with the adversities we face in our culture.

#### SEARCHING FOR GOOD BIBLE STUDY AND A PLACE TO CONNECT WITH OTHERS?

If so, then let us help you find a small group Bible study on Sunday mornings or in homes on Sunday night. Get connected with others, and, more importantly, to God. Let us help you find a place where you're *known, loved* and *accepted* by others. Contact Jim Stewart for assistance. There's a place for you at FBC, Norman.

#### NEW @ FIRST LUNCH COMING FEB. 9!

Have you recently joined FBC? Are you currently visiting our church and considering us as your church home? Would you like to know more about First Baptist? If the answer to any of these questions is "yes," then we invite you and your family to the event we call "New @ First" lunch on Sunday, February 9, immediately following our morning worship services. It will be our pleasure to serve you a complimentary lunch, as well as answer any questions you might have about our church, its ministries, staff, facilities and other important information. If you are interested in attending New @ First, please contact Jim Stewart, Associate Pastor, in the church office.

## Ignite Challenge

Roy Joe Ham  
Minister  
of Administration

From Happy New Year to, now here we are in 2014! It is my prayer that each of us can see this year as a great opportunity! God has continued His great work in and through His people at FBC! To complete 2013 we had a tremendous season of Advent and a whole host of activities that drew us together as Family. As we begin 2014 God is blessing FBC with many that are visiting our church for the first time, or have begun to claim this as their new church home! Praise God as He continues to bless us with these new great blessings! I hope you will see the need to invite or bring friends and neighbors to worship with us.

**Thank you** seems to be a great word for the beginning of 2014! First, thank you again to Judy Hixon's Bible Study Class who took the lead in having our sanctuary dressed for the Christmas Season. Didn't it look great through the season! Also, this year thank you to Mike Beery and those he recruited for taking care of our Main Street Christmas Tree. Mike and his team found donations to install a new center pipe and all new lights to make this a more significant tree as a statement for Christmas to the community. Thank you to all that assisted in both of these important works of service!

**Thank you** church family for your tremendous year end response in your generous giving! With your faithful response to the financial needs late in the year, December of 2013 recorded the largest year end giving season in the last several years. We must all celebrate this as \$296,346 was given to the Ministry Plan (budget); \$191,091 to the Ignite Capital drive; \$36,518 directly to International Missions causes; with other miscellaneous gifts to bring our total December giving to \$526,715. PRAISE GOD FOR YOUR FAITHFUL RESPONSE! As we move to the final three months of our current fiscal year, I pray that this will be a foundation for us to finish well! As our financial needs continue, regular faithful giving is necessary. I thank you in advance for your faithful generosity.

**February 2** we will celebrate our annual "Souper Bowl" Sunday with an emphasis on World Hunger issues. We will have a unified Worship service and share in a fellowship meal. I hope you are looking forward to that time together. Also, we will open the doors from Hallock Hall into the East Wing construction area to allow those who want to be able to enter the area, write a scripture, prayer of blessing or simply sign the back side of drywall that has been installed. This will be a great moment for our church family, as we continue to ask God to bless the ongoing work and the ministry opportunities it will offer when we complete the work. I look forward to seeing you on February 2.

It is a joy to serve with you,  
Roy Joe

## Community Ministry

Starting this month, we will offer the food pantry and clothes closet distribution on both the 1st and 3rd Sundays at 4:30 p.m. in conjunction with our Sunday Supper. We have been blessed with plenty of these donations (thank you!). Offering it each time we have Sunday Supper may also increase participation and will simplify the schedule for our guests.

As we approach a new fiscal year, our community ministry team is looking for more ways we can work together as a church to help alleviate the struggles of poverty, as well as ways to partner with other organizations to help people get out of poverty. Some possibilities include expansion of our apartment ministry, financial or job training classes, and family service days. We ask for your prayers as we make decisions about these opportunities and brainstorm ideas.
