Pastor

**O**ur next **Sunday Supper** will be October 6 at 4:00 p.m. in Hallock Hall. The Sunday Supper is a result of our recent season of prayer and conversation as we considered the needs of our congregation and community in relation to the Friendship Lunch. The themes of outreach, discipleship, security, community and loving/serving others formed the crux of the conversation. We asked where we saw God moving. First, we are excited about the ongoing ministry of our **Friendship Sunday School class**. This class developed from the Friendship Lunch and is a transformational place of fellowship, Bible study and sharing life. We look forward to this group continuing to grow and deepen as part of the life of First Baptist. Second, we recognized the void and need in our community on Sundays for food and shelter. We reached out to Food and Shelter, Inc. and discovered a willing partner. With the support of our church and other churches, Food and Shelter is able to open its doors on Sunday mornings through the lunch hour. Breakfast, shelter, basic services and lunch are now offered to anyone with that need on Sunday mornings through this

“Kingdom” effort. Through this partnership, First Baptist continues to participate in a Sunday lunch ministry. Would you be willing to volunteer one Sunday? Finally, we will host a Sunday Supper on the first and third Sundays of each month in Hallock Hall at 4:00 p.m. (The early supper time allows us to finish before dark every Sunday throughout the year.) On first Sundays, we will have a spiritual focus with opportunities for devotions, seminars, music, testimonies and other spiritual emphases. On third Sundays, our food pantry and clothes closet will be open after supper. Everyone is invited to participate and many of our ministry staff are getting involved as well. We need folks to serve, clean and simply sit at tables to talk and pray with those who come. Let Angela Atkins know how you would like to help. We look forward to seeing the fruit of this new ministry effort.

**I wish to say thank you to Jennifer McMillen** for her service as our Children’s Ministry Assistant and as the Executive Director of our Fee Based Programming these past few years. In addition to helping with our regular Children’s Ministry programming, Jennifer has provided administrative support and leadership for Kaleidoscope, Summerscope, SummerSonlight, Parent’s Day Out and Sonlight Preschool. We look forward to her ongoing presence and ministry at First Baptist.

**Run the Race** and **Block Party** will be Sunday, October 27. *Run the Race* is our annual worship service with the Norman Chapter of the Fellowship of Christian Athletes. This year, our pulpit guest will be Dr. Roger Paynter, pastor of the First Baptist Church of Austin, Texas. Dr. Paynter is a wonderful preacher and a Sooner fan deep in the heart of Texas. Kent Bowles, Director of the FCA in Norman, will bring athletes who make a difference on and off the field to share their faith and to let us know how FCA is involved with student-athletes at every level in our community. Our annual Block Party will begin at 2:00 p.m. that afternoon. The Block Party is always a fun event and an effective outreach to our community. Invite your friends and neighbors to join us on this exciting day.

**October 27 will mark the start of our 125<sup>th</sup> Anniversary Celebration.** On October 27, 1889 the First Baptist Church of Norman received her charter from the Oklahoma Territory. One hundred and twenty four years later, First Baptist continues to be the presence of Christ in this community. Our Anniversary team is at work planning some wonderful events and reunions as we celebrate the past and anticipate the future. Mark your calendar and begin inviting your friends and former members to join us for a special weekend of activities and worship on Sunday, October 26, 2014, when we celebrate our 125th year.

**Fall is definitely here!** Let us be faithful in our life and ministry together. As construction moves forward and we notice changes each week, may we be reminded that God is at work, building and shaping His People here at First Baptist. Each time we gather together, we are given a glimpse of God’s work in our midst. Let us rejoice and be glad in it!

Grace and Peace, Dr. Wade Smith

# RUN THE RACE SUNDAY & BLOCK PARTY

October 27

**Speaker:**  
**Dr. Roger Paynter, Sr.**  
 Pastor, First Baptist Church of Austin, Texas.

FCA athletes who make a difference on-and-off the field will lead in worship!

Sunday School, 9:15 a.m.

Combined Worship, 10:30 a.m.

**Block Party**, 2:00 p.m.

We are blessed and amazed at the newest and certainly youngest member of Sanctuary music leadership staff, **Elliot Ringwald**. Let me introduce him to you.

Elliot joined our music staff in the fall of 2012, when he began his studies at the University of Oklahoma, as a student of Dr. John Schwandt. Previously, he studied for five years under Abel Searor, a graduate in organ performance from the University of Syracuse. Elliot began playing the organ at age 12 when he discovered the instrument growing up in New Haven, NY. His parents, Fred and Karen, and his older sister Cena, were very supportive of his musical endeavors. Both parents have been amateur musicians. His father works at the nuclear power plant in Oswego, NY, as a procedure writer; his mother is a homemaker who enjoys working with the local art association. In 2009, Elliot took a position at the Pulaski Baptist Church in Pulaski, NY, as choir director and organist at the age of 16!

Elliot says he finds our "non-textbook" service a variable challenge that stretches his musical muscles. He also works at the American Organ Institute where he refurbishes and constructs pipe organs. The knowledge and experience he has gained through this work has already been put to good use keeping the organ at First Baptist in good condition.

He looks to graduate with a bachelor's in organ performance from OU in the spring of 2016. He will continue toward a Doctorate of Music Arts. With this degree, he'll find work as a university professor or as the music director for a large church.

Let me encourage you to stay five minutes at the end of worship, or walk over to the Sanctuary to enjoy one of Elliot's varied and creative postludes, but also to introduce yourself and express your appreciation for his exceptional contributions to our Sanctuary worship services.

## Childhood Ministry

### *FBC Kid's Family Faith Story*

From Charles, Marla & Allison Valentine

I wanted to share with you our recent journey of faith and blessings. Our family experienced a great loss in 2007 with the death of Charles' sister. Her two boys (Marques, currently 8 and Jayden, 6) moved away to Florida with their father in 2009. This was very difficult since they were the only memory we had of their mother. We kept in touch with them over the phone and through cards, but in 2011 things began to change and we became aware that the boys might not be in a loving home.

We went to Florida to have a visit with the boys in June of 2013 and while we were there, the boys were removed from the home. This is where we began to see the Lord provide us with His blessings. First, we were able to get an emergency hearing before a judge who approved for them to come to Oklahoma for an extended vacation. Another blessing is that their grandparents had driven from Oklahoma to Florida, so the boys were able to ride back with them while we flew back to prepare our home for their arrival. God provided us with donations of furniture, clothing, toys and bicycles. We were also blessed with a wonderful pediatrician who helped to stabilize them medically. It has been wonderful to watch the Lord work in our lives.

The most recent blessing came from FBC Norman and the connection to a sister church in Kissimmee, Florida. The state was unable to get the legal paperwork finalized for the boys to stay before the start of school, so they had to return to Florida. I called Crystal, our Children's Minister, to see if the church could help and by God's providence, we found a wonderful Christian family to host them in Florida until they could return. Leaving them was difficult, but knowing they were in a loving Christian home was extremely comforting. We have since brought the boys back to Oklahoma and are currently working through the final documents, so please keep us in your prayers! I know the Lord will continue to provide us with His blessings as He has this entire journey.

**"The Great Fish Story" Breakfast Oct. 19**  
Sponsored by IRON Men

Meet us at the FLC for an early 8:00 a.m. game day breakfast on Saturday, Oct. 19. Enjoy the good food, hear about an exciting IRON Men fishing trip to Galveston this past summer, and let us share with you some ways that our men can network together for prayer, encouragement and ministry. That date is the OU/Kansas game away. We will conclude the breakfast by 9:30 a.m.

Several of the guys who went on our deep sea fishing trip will share some of their reflections and how the trip and our time together impacted their lives. Cost is only \$5 per person and we encourage each one of you to bring a friend! E-mail Jim at [jims@fbcnorman.org](mailto:jims@fbcnorman.org) for more information.

**Join a Small Group at FBC!**

Do you have those friends who pray for you, check on you when there's an illness or death in the family, or a group where you can multiply your joy and divide your sorrow? ## Ignite Challenge

Roy Joe Ham  
Minister  
of Administration

I have become a person who loves the Fall Season! It hasn't always been that way, but now I find it to be a season of renewal with cooler temperatures and moving from the hurriedness of summer to the season of normal. However, sometimes I wonder about NORMAL? Normal around FBC is hopefully all of us finding our way back to worship and Bible Study! Normal is reuniting with friends and Bible Study classes for a season of catching up and support! Normal (I hope) is seeing all of the exciting things that are happening and getting on board with support, action and bringing your friends and neighbors along with you. Normal is finding your place again, getting involved in ministry! And normal is returning to faithful financial support of the ministries of FBC!

The summer has been an active time around the church. Some of us missed much of the activity while on vacation, recovering from surgery or whatever else may have taken you away. We had many of the same things happen: youth and children's camp, Summerscope/SummerSonlight, FLC Camps, Vacation Bible School and Mission activities. But then you add tornado relief efforts and housing many individuals and teams that came our way to help those recovering, many of our own members volunteering to support those that came or going to the devastated sites to pitch in a hand.

Ignition Sunday in June has led to a great start on our phase one capital project work. During the summer, the demolition of the east wing and the old stair tower is now leading to the exciting rebuilding stage. I am excited to see the progress that is being made and I feel that you will be excited with the transformation when we return to renewed usable space.

You will see in the panel beside this article that our Ignite giving continues to be strong and well ahead of projected giving. We are excited about your faithfulness in support of this work. For those who have not heard, we will not be proceeding with the East Sanctuary Corridor. We remain committed to building within the amounts that have been committed to the project work. The corridor will be added to a future phase of our long range plan. We need to continue to celebrate what God is providing through your generosity even as we continue to seek ways that we can continue to join Him in His great work among us.

These are exciting days, maybe that will even lead us to a new normal! A new normal: with a renewed willingness to regularly invite and bring new people into our church family or to be touched by our ministries. A new normal: of a new, growing excitement as we see and experience God at work among us. A new normal: to experience vital personal and corporate worship. A new normal: of each of us finding a place to serve. I am excited to see all that God is doing in our midst and I hope you are too. I wonder what new normal you will find?

I am looking forward to the new normal to which God is leading us.

Roy Joe
